

Championing the politics of generosity and inclusion:

Peace at Home and Abroad
Prosperity for Working Families
Environmental Sustainability
Civil and Human Rights

Working together, we will help our country
and the world find the peace and prosperity
lost during the disastrous Bush administration.

Contributions to Ellison for Congress are not deductible for federal income tax purposes. Federal law prohibits contributions to the campaign from corporations, labor organizations and national banks, from any person contributing another person's funds, from foreign nationals who lack resident status and from federal government contractors.

For too long, Republicans have been practicing a politics of fear and exclusion. They have fought against vital efforts to spread peace and freedom at home and abroad.

But Americans have finally rejected that kind of politics.

Now we are beginning to advance a politics of generosity and inclusion. When we act with the belief that everyone in our society matters, it becomes clear that there are enough resources for everyone to live in peace and prosperity.
